

Donations & Sponsorship Policy

Norths Leagues & Services Club being a community club believes we have a responsibility to support our local community in sporting and social events.

We receive a large number of proposals each week, which unfortunately makes it difficult for us to accept every idea presented to us. Hence, we have outlined below a series of guidelines to help you submit a proposal that meets our needs.

Please note that it is not the policy of the club to provide contra deals for providing services free of charge. Our preferred method is to provide services in full value and in return to provide sponsorship and other support.

Under our constitution we preserve and foster the ideals and traditions of the sport of rugby league both nationally and in the State of Queensland

Other activities under our charter would include

1. Rugby League & other local sporting team endeavours.
Whilst we will still consider individual requests our main focus is to support teams to increase community spirit.
2. Other junior and amateur sporting endeavours
3. NLSC has historical links with associations representing former Australian Defence force personnel and continues to support activities that foster that relationship
4. As a community based organisation ourselves we pride ourselves in supporting aged care facilities, local schools, retail establishments & other support groups

Priority will be given to requests that show support for our local community

All requests must be made in writing on company letterhead and must be addressed to the Board of Directors through the General Manager. All requests in the correct format will be considered. Consideration of all requests takes place twice a year on 1st May and 1st November. Please consider this when submitting your application; you can appreciate the time it takes to process these requests.

Requests can be submitted to Norths Leagues & Services by:

Mail: Troy Young – General Manager
Norths Leagues & Services Club
1347 Anzac Avenue
KALLANGUR 4503
Email: troyy@northsleagues.com
