

THE PRECINCT

Where the love of food brings people together...

Welcome

At The Precinct, we embrace and encourage a share style of dining where everyone can enjoy a variety of dishes from around the world.

We are passionate about accommodating individual tastes and dietary requirements to ensure everyone feels included and enjoys their dining experience.

The Precinct features four individual kitchens: Italian, The Grill, Asian and Smokehouse. As the four kitchens work independently, your dishes may not all arrive to your table at the same time. If you require all dishes to come out together, we suggest ordering from one kitchen.

We have embraced the latest in technology that allows you to order food and beverages whenever you like from your table. This is available at every table using your own personal device with your membership discount being applied at the checkout. Our friendly team are fully trained to assist you if you need any help ordering.

We hope you enjoy your experience at The Precinct and look forward to seeing you again soon.
