

Welcome

At The Precinct, we embrace and encourage a share style of dining where everyone can enjoy a variety of dishes from around the world.

We are passionate about accommodating individual tastes and dietary requirements to ensure everyone feels included and enjoys their dining experience.

The Precinct features four individual kitchens Italian, The Grill, Asian and Smokehouse each bringing its own flavours and specialties to the table. As the kitchens work independently, your dishes may not all arrive at the same time. If you would prefer your meals to be served together, we suggest ordering from one kitchen.

To complement your meal, visit Encore our indulgent dessert and coffee destination within The Precinct featuring handcrafted crepes, icecream and barista-made coffee to complete your dining experience.

We have embraced the latest in technology that allows you to order food and beverages whenever you like from your table. This is available at every table using your own personal device with your full membership discount applied. Our friendly team are fully trained to assist you if you need any help ordering.

We hope you enjoy your experience at The Precinct and look forward to seeing you again soon.
